

## Chief Joseph Flyers

Meeting Notes May 5, 2020 - submitted by Teresa Smergut

Members Present Via Zoom - Doug Hellinger, Andy McKee, Michael Fleming, Amanda & Brian Rahn, Cynthia Armentrout, Dan Niezen, Teresa Smergut.

Doug called the meeting to order at 1810.

President report - Working on the website (more to follow)

VP report - none

Sec report - updated roster spreadsheet and will mail out

Treas report - Balance \$18,904.60. Still working on allocated accounts.

Mtc report - Items needing corrected such as window latch, seat crank all fixed. Amanda reports plane is flying well. Has 30 more hours until the 100 hour check is due. The engine block heater discussion still pending.

## Old Business -

- Tax exemption research - Amanda will reach out to Mike Becker
- Background checks - WCSO does not do these anymore. We will still fill out the paperwork and basically do our own background checks through verbal communication with and around applicants.
- Website is up and running. [chiefjosephflyers.org](http://chiefjosephflyers.org) Check it out and let Doug know what you think. Any helpful suggestions will be appreciated.

## New Business -

- Google calendar not working properly. May be just a matter of adjusting back to default settings.
- The club voted in Cynthia Armentrout. Welcome Cynthia !!!
- Need to research the weed treatment for the airport. Does city of Joseph have this responsibility ?

**COVID19** - If you are comfortable, we can continue to fly. Wipe down airplane after each use. Use disinfectant that is at least 70% alcohol. **Do not wipe the GPS screen with disinfectant as it will damage it.** Option to wear gloves. Cleaner is available on the shelf next to other cleaning supplies. Just use good judgement and consideration. If Wallowa County has an influx of cases, the club may reconsider.

Next Meeting planned for June 2nd hopefully at the airport with a barbeque. TBD
