Discussion

- COVID - Probably no scheduled in person events in the near future.
- Uncertain Tax Status with IRA - Working with Susan Gilstrap and Paige Sully. Also trying to look into old club records. Best case outcome - we applied for and were operating under tax exempt status in the past and will be able to renew that status. Worst case is we may owe a lot of back taxes to the IRS which could significantly impact club assets. Hoping for somewhere in between. Stay tuned.
- Andy McKee has resigned as club Secretary and Mike Fleming has been appointed with an official changeover date of 1 Sept. Thank you Andy for your efforts and time put in to this position. And thanks to Michael for stepping up !
- Voted in Stratton Sinclair and Brent Neely to the club. Welcome !!!

Next Meeting planned for September 8th either ZOOM or at Joseph Airport.
